# About The Play

*Behind Closed Doors “From the Prison to the Palace”* is an original stage play written by Minister Kerry Ann Frazier.

The play explores the spiritual warfare that takes place in the lives of several women. The devil comes to kill, steal and destroy the heart, mind, and soul of mankind; but there is another side; God has given us the power to defeat the devil and to live victoriously.

When we submit to Him and allow Him to take us from the prison of sin to the palace of freedom in Him, supernatural things occur.

This drama-filled emotional piece explores the mental, emotional, spiritual and even physical battles of four women who experience God in their own way.
